---------------	---	---------------	-----------------	--------------

Each home team needs to supply a referee and linesman. When Varsity & Junior varsity teams are scheduled, the J.V. plays first. A number of teams have only a varsity team, or only a junior varsity team. With that in mind you need to pay close attention to the schedule. You will notice there is an indication as to the teams playing, i.e. JV Only or Varsity & J.V. Please do not make adjustments to the schedule. In case of rain, the home team will notify the visiting team by 1:00 pm. Rainouts will be rescheduled by the two teams. Good Luck.
