

# Help us stock the Fall Festival Bakery with yummy treats!

We need your assistance to stock the Fall Festival Bakery. So we are making it competitive between classrooms. **The class that brings in the most baked goods gets a free dress day the week after the festival.** Bring in the following individually wrapped in plastic bags. For every individually wrapped bag you bring in, you get a point. The class with the most points **WINS!** This is what we need...

- Brownies
- Muffins
- Fudge (2 pieces per bag please)
- Rice Krispies Treats
- Cookies (if large, put one in a bag – if smaller put 2 to 3 in a bag)
- Breakfast/Granola Bars
- Tortillas
- *Or anything else you can think of that is sweet and does not have frosting.*
- And we would prefer goods without nuts.

You can start delivering your baked goods Wednesday, October 9 until Friday October 11, 2019 to the school office conference room. Put all your individually wrapped items in a larger bag. Mark the larger bag with your students name and grade. Thank you for your support in making this year's festival great again.
