Celebrate our name sake!

Here, at St. Patrick School, we take special pride in St. Patrick's Day! We are learning about the life of our patron saint. How he taught one of the mysteries of our Catholic faith, the Holy Trinity, to the Irish people using a 3-leaf clover (a shamrock, hence our logo) to show that our one God is three persons; Father, Son and Holy Spirit. So we wear the "Green" in honor of this great saint! Then as we prepare for Easter we will learn about God's gift to us, his Son, Jesus and His love for us & how we are called to share this love with others!
