Our Wee Ones Give Thanks!

The season of thanks-giving is upon us. Here at Preschool we'll be talking a lot about what it means to be thankful. We'll work on being thankful every day for the gifts God gives us and we'll be learning ways we can share these gifts with others in our families, in our class, and in our community.

A message from Mrs Gomez

St. Patrick Parish Legion of Mary, of which Mrs. Gomez is a member, is asking families to open their homes to a visit from the beautiful statue of our Blessed Mother. A Legion member will bring her to your home and then return for her a week later. They have families confirmed into the new year but if you're also interested, please email Mrs. Gomez at: geniesonegarden@aol.com

HAPPY BIRTHDAY!
